I, Ralph J. Kreitzman, Mayor of the Village of Great Neck, N.Y., do hereby, at 10:00 p.m. on Thursday June 24<sup>th</sup>, 2010, declare a state of emergency within the entire territory of the Village of Great Neck pursuant to Section 24 of the Executive Law of the State of New York.

Approximately 2:45 p.m. on this day, a severe storm event caused trees and light poles to snap or be pulled from the ground throughout the Village, resulting in major loss of electric power to homes and businesses in the Village including the Village Hall and subsequent loss of telephone and internet communication ability for many residents and businesses affected by this storm event. During this state of emergency, I may suspend Village Laws and regulations, consistent with the protection of the health and welfare of the residents of the Village of Great Neck, and the recovery from this disaster. Further orders may follow.

Signed this 24<sup>th</sup> day of June, 2010
